The owner especially reserves the right (except as herein otherwise specifically limited) to increase or diminish the quantities as may be deemed reasonably necessary or desirable by the owner to complete the work detailed by the contract. Such increase or diminution shall in no way violate this contract, nor shall any such increase or diminution give cause for claims or liability for damages.

To facilitate the proposal evaluation and contract award process, the county recommends that bidders submit a copy of a valid BRC and those of any named subcontractors with its bid. Bidders and named subcontractors shall be registered through the New Jersey Division of Revenue, Department of the Treasury, at the time of or prior to the date for submission of bids. Prior to the contract award, a copy of the New Jersey Business Registration for the General Contractor and any named Subcontractors must be provided. 2.8.7 Insurance and Indemnification

If it becomes necessary for the contractor, either as principal or by agent or employee, to enter upon the premises or property of the owner in order to construct, erect, inspect, make delivery or remove property hereunder, the contractor hereby covenants and agrees to take use, provide and make all proper, necessary and sufficient precautions, safeguards, and protection against the occurrence of happenings of any accident, injuries, damages, or hurt to person or property during the course of the work herein covered and his/her sole responsibility. The contractor further covenants and agrees to indemnify and save harmless the owner from the payment of all sums of money or any other consideration(s) by reason of any, or all, such accidents, injuries, damages, or hurt that may happen or occur upon or about such work and all fines, penalties and loss incurred for or by reason of the violation of any owner regulation, ordinance or the laws of the State, or the United States while said work is in progress. The contractor shall maintain sufficient insurance to protect against all claims under Workers Compensation, General Liability and Automobile and shall be subject to approval for adequacy of protection and certificates of such insurance shall be provided.

2.8.8 Pay to Play

Starting in January, 2007, business entities are advised of their responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000 from public entities in a calendar year. Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

2.8.9 Prompt Payment of Construction Contracts P.L. 2006, C. 96

In compliance with N.J.S.A. 2A:30A-1 et seq., the County of Mercer shall impose the following payment process:

The County of Mercer shall pay the submitted bill not more than 30 calendar days after the receipt of the bill by the County if the vendor has performed in accordance with the contract and the work has been approved and certified by the County. The billing shall be deemed "approved" and "certified" 20 calendar days after the owner receives it, unless the County provides, before the end of the 20-day period, a written statement of the amount withheld and the reason for withholding payment.

2.8.9.1

2.8.9.2 Plan Review and Construction Documents Signed and Sealed

Architects and Engineers shall forward final drawings and specifications to the respective State Agency or Municipal Building Official for approval prior to bid. Engineers and Architects shall provide the required number of specifications and drawings for bid to the Purchasing Agent. All construction bid documents shall be signed and sealed prior to release for bid in one of two ways:

1. Sign and date the original documents, including tracings, reproducible drawings or those generated electronically, then affix the seal to opaque prints or reproductions of the originals; or
2. In lieu of signing and dating the original documents, sign, date, and seal the opaque copies of the originals.

All certifications that amend or clarify or modify construction documents prepared by the architect or engineer in responsible charge shall be dated, signed and sealed prior to forwarding to a public agency. An engineer or architect shall seal documents only with seal presses. Bidding plans and construction plans are one in the same and must be signed and sealed prior to the issuance to prospective bidders.

2.8.9.3 Professional Service Contracts for Construction and Specifications

Specifications shall not reference "pre-approval" or "pre-qualification" of an equivalent product prior to the submission of bids.

Specifications for a contract item may include a specific manufacturer's brand and model number or equivalent. The product brand or brands referenced in the specifications shall be restricted to one brand produced or manufactured by a multi-brand commercial products manufacturer.

Consultants are prohibited from specifying a product line in which such consultant has an affiliation. As such, there shall be no affiliation between the consultant and product manufacturers referenced in the specifications, nor shall the consultant endorse those companies or manufacturers referenced in the specifications.

2.8.9.4 Engineer's Unit Price Estimate

The engineer's unit price is the cornerstone of the project estimate. The entire project is divided into small discrete work items, and a "unit price" is established for each item. The unit price is then multiplied by the required quantity to find the cost for the work item. All costs are summed to obtain the total Estimated Construction Cost. For example, the cost to erect a masonry wall can be accurately determined by finding the number of bricks required and estimating all costs related to delivering, storing, staging, cutting, installing, and cleaning the brick, along with related units of accessories, such as, reinforcing ties, weep-holes, flashings, etc. Unit Pricing Estimating within the CSI MasterFormat™ is the most accurate means of ascertaining costs based on materials and labor content.

2.9.5 Multiple Proposals Not Accepted

2.9.6 Bid Prohibited

It is understood by the Respondent that, if awarded a contract through the request for proposal process, the Prime Contractor and any Subcontractors utilized for these services are prohibited from bidding the resultant goods or services required to implement the project.

2.11 Failure to Enter Contract

Should the respondent, to whom the contract is awarded, fail to enter into a contract within ten (10) days, Sundays and holidays excepted, the owner may then, at its option, accept the proposal of another respondent.

2.12 Commencement of Work

The contractor agrees to commence work after the date of award by the owner and upon notice from the using department.

2.13 Termination of Contract

If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the Contract or if the contractor violates any requirements of the Contract, the owner shall thereupon have the right to terminate the Contract by giving written notice to the contractor of such termination at least thirty (30) days prior to the proposed effective date of the termination. Such termination shall relieve the owner of any obligation for the balances to the contractor of any sum or sums set forth in the Contract. The contractor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision. In case of default by the contractor, the owner may procure the articles or services from other sources and hold the contractor responsible for any excess cost occasioned thereby.

2.14 Challenge of Specifications

Any respondent who wishes to challenge a specification shall file such challenge in writing.

2.15 Payment

Invoices shall specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed and the Proposal Cost Form.

2.16 Ownership of Material

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the contractor for the purpose of assisting the contractor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract. Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner. All data, reports, computerized information, programs and materials related to this project shall be delivered to and become the property of the owner upon completion of the project. The contractor shall not have the right to use, sell, or disclose the total of the interim or final work products, or make available to third parties, without the prior written consent of the owner.

2.17 Records for the New Jersey State Comptroller

Pursuant to N.J.S.A. 52:15C-14(d), relevant records of private vendors or other persons entering into contracts with the County are subject to audit or review by the New

Jersey Office of the State Comptroller. Therefore, the Contractor shall maintain all documentation related to products, transactions or services under this contract for a period of five years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request.

2.18 P.L. 2012 BID OR PROPOSAL PROHIBITED

C.52:32-57 "P.L. 2012, c.25 prohibits State and local public contracts with persons or entities engaging in certain investment activities in energy or finance sectors of Iran."

2.19 BUDGET SEQUESTRATION

All contracts shall include the following language with regard to automatic spending cuts to United States federal government funding:

"THE CONTRACT AWARD IS CONTINGENT UPON RECEIVING REQUISITE FEDERAL FUNDING NECESSARY TO COMPLETE THE TERMS OF THE CONTRACT."

3.0 Scope of Work

Background

The Trenton-Mercer Airport has been an important part of the Greater Central Jersey Region for over 80-years. It is both a major economic engine for the area and an air travel hub that hosts a robust mix of commercial, corporate, private, and government aviation users. It is the current home to Frontier Airlines (www.flyfrontier.com), which offers non-stop service to Punta Gorda, Ft. Lauderdale, Ft. Myers, Miami, Orlando, Chicago, Detroit, Tampa, Raleigh/Durham, Charlotte, and Atlanta; Allegiant Airlines (www.allegiantair.com) flying to Orlando/Sanford, Punta Gorda and Tampa/St. Petersburg; and the aviation division headquarters of a number of Fortune 100 Companies, the NJ State Police and two flight schools.

3.1 Purpose

The purpose of the Airport Advertising Concession is to enhance revenue from commercial advertising while maintaining the design integrity of the airport terminal building and other airport environs.

With expanded commercial service to several destinations, TTN has become a focus city for Frontier Airlines. In addition, since the arrival of Frontier in 2012 and Allegiant in 2016, TTN has made improvements to the overall terminal and has created additional surface parking areas. As a result of higher passenger volume, TTN has become an excellent location to offer advertisement opportunities. The Airport invites proposals from interested parties for the non-exclusive right and privilege to create and sell indoor and outdoor advertising at the Trenton-Mercer Airport.

3.2 Contract

The contract shall be awarded for a period of one year with a two year option to extend.

3.3 Objectives of Airport Advertising Program

The objective of the Request for Proposals (RFP) for the Airport Advertising Concession is to find an advertising concessionaire that will:

- Maximize revenue to the airport and our advertisers through indoor and possibly outdoor commercial advertising;
- Utilize local advertisers to the fullest extent possible;
- Ensure the delivery of the highest quality advertising by creating an appealing message that generates sales, provides awareness, and enhances the experience of airport users;
- Allow a Flight Information Display System (FIDS) to be displayed to the traveling public;
- Permit the County to utilize 10% for its own messaging
- Develop new and innovative advertising concepts, media and locations that will complement the airport environment; and
- Promote the local community, tourism, and business in the region.

Proposers must be fully aware of the fact that the airport will place non-revenue generating ads and displays within the airport in order to support community events.

3.4 SERVICES

The successful Proposer must provide the following advertising services: sales, creative design, placement of advertisement, billing services, and monthly production reports.

3.5 AIRLINES AND PASSENGER STATISTICS

The airport is currently served by Frontier Airlines offering non-stop service to Punta Gorda, Ft. Lauderdale, Ft. Myers, Miami, Orlando, Chicago, Detroit, Tampa, Raleigh/Durham, Charlotte, and Atlanta and Allegiant Airline flying to Orlando/Sanford, Punta Gorda and St. Petersburg/Clearwater (all cities subject to change).

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

(b) In determining whether alleged conduct constitutes sexual harassment, The Commission (EEOC) will look at the record as a whole and at the totality of the circumstances, such as the nature of the sexual advances and the context in which the alleged incidents occurred. The determination of the legality of a particular action will be made from the facts, on a case by case basis.

(c) Applying general Title VII principles, an employer, employment agency, joint apprenticeship committee or labor organization (hereinafter collectively referred to as "employer") is responsible for its acts and those of its agents and supervisory employees with respect to sexual harassment regardless of whether the specific acts complained of were authorized or even forbidden by the employer and whether the employer knew or should have known of their occurrence. The Commission will examine the circumstances of the particular employment relationship and the job functions performed by the individual in determining whether an individual in determining whether an individual acts in either a supervisory or agency capacity.

(d) With respect to conduct between fellow employees, employer is responsible for acts of sexual harassment in the workplace where the employer (or its agents or supervisory employees) knows or should have known of the conduct, unless it can be show that it took immediate and appropriate corrective action.

(e) An employer may also be responsible for the acts of non-employees, with respect to sexual harassment of employees in the workplace, where the employer (or its agents or supervisory employees) knows or should have known of the conduct and fails to take immediate and appropriate corrective action. In reviewing these cases the Commission will consider the extent of the employer's control and any other legal responsibility, which the employer may have with respect to the conduct of such non-employees.
