*Dear Veteran:*

**Thank you for your service!**

The Mercer County Clerk's Office offers Veteran Identification cards daily, during regular business hours. They are available to all Mercer County veterans who have been honorably discharged and have recorded their DD-214 in my office. In addition to proving your veteran status, this identification card will give you the opportunity to receive discounts from various merchants across Mercer County and beyond. Within this booklet, you can find a current listing, as of 2022, of these various businesses.

The certificate of honorable discharge, known as a DD-214 Form for short, is generally issued when a service member is honorably discharged from active military duty. The document contains information normally needed to verify military service for benefits, retirement, employment, and membership in veterans' organizations. The recording of a DD-214 form is free of charge to Mercer County veterans.

Because military papers can get damaged or lost, Veterans should take advantage of the opportunity to file copies of their DD-214 discharge papers with the County Clerk's Office for free. I am particularly sensitive to the needs for recording such papers since the County Clerk's Office maintains and preserves official documents and records for Mercer County. If a copy of one's discharge papers is needed in the future, a veteran, an immediate family member, or a legally recognized representative of their estate may obtain one with proper identification.

The Mercer County Veterans Identification card is always complimentary four weeks out of the year, which includes the weeks of Memorial Day, Fourth of July, Veteran's Day, and Pearl Harbor Day. This is to show our appreciation for your service rendered to the United States of America and for making it possible for us to enjoy the freedom we all share.

*Our office has compiled this list of businesses that offer discounts to veterans out of courtesy. Before going to any businesses, we strongly suggest that you check the business's website or call the business for updated discounts. Please note, businesses reserve the right to decline to offer a discount.*

On behalf of the Mercer County Clerk's office, I thank you very much for your service.
