PROUD TO BE A WOMEN OWNED BUSINESS

We have many Chocolate Vendors that we combine with our Chocolate Offerings. We offer Carella's Chocolates, made at our Hamilton location and Asher's Chocolates, Birnn Truffles of Vermont, Madelaine Chocolates, Gertrude Hawk Chocolates and many others. Our Carella's Chocolates are Peanut and Gluten Free. They are made in a peanut free environment and are housed in a separate chocolate case at our shop.

When you shop with us your experience "Choice". We have several chocolate case displays and all of our chocolates are the same price so that you may pick and choose from a wide variety of chocolates.

We also carry many of the favorite non-chocolates. One of our popular items is our Fruit Slices.
