

OVER 40 YEARS OF EXPERIENCE

BCG is a 100% woman owned business founded in 2005. We are a small, mature firm, a certified WBE DBE with offices in New York and New Jersey. We specialize in stakeholder engagement, community outreach, permit expediting, pedestrian management, and construction related professional services. We provide community-based resources, work with government agencies and their contractors, provide construction updates to the public and work with stakeholders to resolve disruptions to the community. Driven by experience, we take a collaborative, proactive approach, utilizing our effective relationships and support our clients while resolving the teams project roadblocks.
