Group Use and Room Rental Permit

Application Information

Organizations, groups and individuals wishing to host an organized event at a Mercer County Park Commission park or meeting room must complete and return a Group Use and Room Rental Permit Application to the Park Commission Headquarters at the Historic Hunt House. The Group Use and Room Rental Application and instructions are available on the Park Commission website: www.mercercountyparks.org.

Pursuant to the Park Commission's rules and regulations, groups, organizations or clubs wishing to host or perform the following organized activities require a Group Use Permit (please note: family gatherings of less than 25 people do not need a group permit):

- Birdwatching
- Boating (canoe, kayak)
- Hiking
- Yoga or exercise class
- Informal and formal education outings
- Religious or spiritual gatherings
- Running
- Biking
- Stargazing
- Any other organized activity which in the reasonable judgement of the Mercer County Park Commission should be subject to a permit in order to promote the orderly function of park facilities or to protect the interests, safety, health or well-being of the public.

Park Commission facilities also have multipurpose rooms available for rent. Groups wishing to rent a space for a meeting, program or other activity must complete the Group Use and Room Rental Application. If you wish to reserve the festival grounds, fields or active recreation areas, OR perform a commercial business enterprise or make a profit from an event on parklands, please contact the Recreation and Events Center (609-443-8560).

Application Instructions

Applications should be submitted to the Historic Hunt House at least 60 days prior to the event, as the processing of applications may take up to 30 days. Once approved, the Permit Application will be returned to the applicant with an authorized signature; this signed form is the Group Use or Rental Permit.

Groups, businesses or organizations applying for a Group Use or Room Rental Permit must present evidence of liability insurance protection at the time of application. The coverage shall be in the minimum amount of \$1,000,000, combined single limit. The required Certificate of Insurance must specifically name the County of Mercer and Mercer County Park Commission as both the "Certificate Holder" and as an "Additional Insured" for the activity/event. This liability insurance requirement may be waived depending on the type of group and activity, at the discretion of the Park Commission.

Rates for the use of meeting rooms are listed below and can be found in the Park Commission's Facility Rates and Fee Schedule. Group Use Permits for events at parklands are free, unless the event organizer will be charging a fee to event participants. In that instance, the applicant must submit a fee of \$25 (if applicant is a non-profit organization or community group) or \$50 (if applicant is a business or for-profit entity) at the time of application. Events that are co-hosted by the Park Commission or the County of Mercer shall be exempt from event fees and meeting room rental fees. At the discretion of the Park Commission, exemptions from meeting room rental fees may be considered for non-profit organizations whose mission is intended to benefit the Mercer County Park Commission or one of its facilities. If deemed necessary by the Park Commission, or if desired by the applicant, the Park Commission can provide security personnel for an event or activity for an additional fee. Groups or individuals requesting additional equipment or services for their event

(tents, podium, etc.) should contact the Historic Hunt House at (609) 303-0713 for a summary of options and associated fees.

Group Use Form must be completed and signed by a Mercer County Park Commission representative.

Facilities with rooms available for rent include:

- Out of County residents - \$50 per hour or \$300 full day (8:30 am – 4:30 pm)

In addition to the above facilities, the Outdoor Pavilion at the Mercer County Wildlife Center may be rented for half days (\$90 for in county residents, \$110 for out of county).

Parkland available for Group Use:

- Mercer County Park
- John A. Roebling Park
- Mercer Meadows
- Baldpate Mountain
- South Riverwalk Park
- Fiddler's Creek Preserve

It is the responsibility of the official representative of the organization holding the permit to insure that all individuals in the group are aware of Mercer County Park Commission Rules and Regulations. Employees of the Mercer County Park Commission will strictly enforce all Park Rules and Regulations. A copy of the Group Use Permit or Room Rental Permit must remain in the possession of an official group representative when the group is using County parkland and facilities.

Approval of the permit does not constitute an endorsement, sponsorship, or acquiescence of the group or its activities.

Please note that the Mercer County Park Commission prohibits the driving or parking of vehicles on County parkland outside of designated parking areas.

All applications must be signed or they will not be accepted. Payment and additional certificates/documentation are required at the time of application.

The Group Use and Rental Application should be completed and sent to Michelle De Los Santos at the Historic Hunt House.
