Pursuant to New Jersey Attorney General Directives 2022-13, 2018-2 and 2020-8, the Mercer County Sheriff's Office completed the following random drug screening in 2023:

On January 3, 2023, fifteen sworn officers were randomly selected for drug screening from a total of 146 sworn. As per New Jersey AG Directive 2022-13, the January 3, 2023 testing will be considered our second required test for year 2022.

On June 12, 2023, fifteen sworn officers were randomly selected for drug screening from a total of 145.

On November 13, 2023 fifteen sworn officers were randomly selected for drug screening from a total of 141.

All officers randomly tested in 2023 yielded negative results from the New Jersey State Toxicology Laboratory.
